Progress Towards Meeting District Goals

2002-03 Goals	Progress
Align curriculum K-12 with State Standards	This past year the district faculty has aligned and articulated the Math and Language Arts curriculums with state standards and the ISAT testing program. The curriculum is now being used in the classrooms. We are currently working on alignment of Science and Social Science.
Improve reading scores	Using data gathered from ISAT and IRI testing, we are beginning to identifying students and using intentional teaching to improve reading skills.
Update and improve facilities	Patrons passed a bond with 74% voter approval to build a new elementary building. Currently the district is working cooperatively with Camas County Commissioners and the city of Fairfield to move the building project forward. Between the two agencies there was a combined saving of \$70,000 in materials and labor. The district plans to occupy the building in the Fall of 2005.
Improve school climate	The district is working on implementing Character Education K-12 and provide professional development for staff.

For School Year 2002-03 the grades to be assessed by the Direct Writing Assessment were changed by the State Board of Education from 4, 8, and 11, to grades 5, 7, and 9. During the 2002-03 school year, the DWA was piloted to a sample of 5,000 students each of two grades, 5 and 9. Consequently, no results will be posted for those grades.
